

# GUAYANA

Note: This map was compiled from the great Colonial (Stanford) map of 1875, with altitudes and details added from the Reports of Schomburgk, Brown and Sawkins, C. Barrington Brown, im Thurn, Perkins, Dixon, and maps of Keipert, Bignon, Schomburgk's Raleigh, Bouchenroeder and Gravesande.

SCALE 24 MILES TO AN INCH

1896

- Original Schomburgk Line as published in all works under the authority of Schomburgk, of the Colony and of the Home Government down to 1886.
- Expanded Line first published as Schomburgk's in 1886.
- Territory west of the Essequibo River cultivated or occupied previous to the recent British invasion of the disputed region.
- Gold Diggings
- Old Beach Line from Brown's Survey
